

Swallowfield Show Jumping Qualifiers 2017

Please note that ALL DOUBLE CLEARS at qualifier shows will be entitled to enter the jumping championships this year. Make sure the secretary at the show you jump double clear has your name and your mounts name so they can email us the list of DC's after their event. See full list of qualifier shows below. You must still enter the championship if you qualify through the normal process, list the show you qualified at on your entry form, it will help us confirm your entry. You will not receive any paperwork at your qualifying show, we are trying to be environmentally friendly.
